

SHERIFF
TED PAXTON

CHIEF DEPUTY
J. ROBERT HAMRICK

NEIGHBORHOOD WATCH INFORMATION

To: All Neighborhood Watch Participants
From: Deputy Mike Garrison
Subject: Entering Auto Incidents
Date: March 16th, 2009

The Sheriff's Office responded to several Entering Auto this weekend from five separate subdivisions on the South end of the County (The Vinyards, Windrose, Springmont, Habersham at Lanier, and Pinnacle Glen). The methods that these vehicles were entered were both forced (breaking the window) and non forced (unlocked doors). These incidents occurred between the hours of 10:00pm to approximately 8:00am.

Please be vigilant and keep your vehicle(s) locked at all times, and remove any electronics or items of value from plain view. Most entering auto incidents the Sheriff's Office responds to are not cars that have actually been "broken" into; the thief simply opens an unlocked door and removes any items within the vehicle.

Please keep your garage doors down anytime that you are in your home. An open garage is simply an invitation for a thief to steal items within your garage.

When shopping, please be aware of your surroundings. Do not display large amounts of cash or credit cards. If possible please carry a small wallet with your cash and credit cards in your front pants pocket. If you must carry a purse, please carry one as small as possible.

Be very observant of any suspicious or criminal activity in and or around your subdivision. **If you see any suspicious activitie(s) please call 911 immediately.**

If any residents saw any suspicious activity during this time frame or have any other information, please contact me at 678-513-5880.

Respectfully,

Thank You

Deputy First Class Mike Garrison
